Dear Mr. Raring:

(Naval Reserve Center)

Included herewith is our report on the removal by physical extraction of two (2) each five thousand (5,000) gallon capacity steel underground storage tanks (USTs), which were formerly installed at the Armed Forces Reserve Training Center, 7838 McCloud Road, Greensboro, Guilford County, North Carolina 27409-9634.

Based on the data presented in the accompanying report, it is apparent that this fuel facility has had negligible impact on the environment of the area. Therefore, on behalf of the Client entity, please consider this communication a formal request for final disposition and approval of the fuel facility closure.

Copies of the approval letter should be forwarded to:

Ms Debbie Ravenell, Contracting Officer
